Faculty + Students = The Future

On the following pages you will see members of the New generation, who are striving for the future, and the ones who are guiding them to that better future for tomorrow! Whether working or playing, we're reaching for the best we can get from every one of our students here at Hearn Elementary School!

SUCCESS!

Celebrating the Dawn of a New Aeon

"Let me take this opportunity to thank everyone for a successful first year as principal here at Hearn. I am pleased to have such a wonderful group of students and staff to work with and I look forward to continuing our successes. I am very proud of our school and all of the exciting things that are happening. Let's continue to make our school the best that Franklin County has to offer!"

Mrs. Wedding

"Many thanks to all the students, parents, teachers, and other staff at Hearn for making my first year here an enjoyable one. It has been inspiring to see such enthusiasm and dedication at all levels."

Mrs. Oder

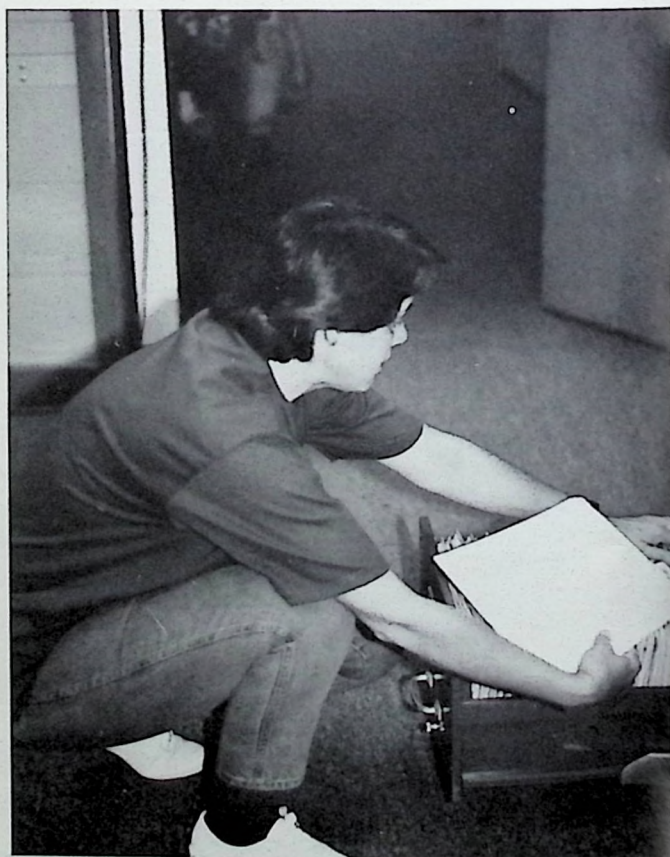

We would like to honorarily dedicate this yearbook to Charlotte Robinson in recognition of the outstanding work she has done at Hearn for 14 years. We are all sad to see her move on, but wish her the best in her new endeavor. Thank you, Charlotte, for being the most efficient, dedicated, and loving, secretary/nurse/clerk/sentinel/psychic/friend!
